Mission vs. Standard

Mission- the wording that guides your school

We are a Catholic, Christ-centered school dedicated to lifelong learning where students are encouraged to develop spiritually, morally, academically and socially.

Standard- living out the mission of your school

What is your school mission statement?

Setting the Standard

- ~ Communication
- ~ Plan of attack
- ~ Following through
- ~ Circling back

Roll up your sleeves!

~ **Review your Mission Statement**

~ **What does it mean to you?**

~ **Do your stakeholders know what it means?**

Roll up your sleeves!

~ **Set the standard**

~ **What does my school do well to live out the mission statement?**

~ **What are the my school's struggles when living out the mission statement?**

Roll up your sleeves!

~ **Make your plan**

~ **What are 1 to 2 things that I can do to fix the struggle?**

~ **Live out your plan everyday**

Thank you!
