

MINNESOTA NONPUBLIC SCHOOL ACCREDITING ASSOCIATION

Candidate School Application Form

Directions

Applying for candidacy status with MNSAA shows the stakeholders of a school community that the school is committed to academic excellence and continuous improvement. A MNSAA candidate school has two years to complete the self-study, host a visiting team, and present its verification materials to MNSAA. If at the end of the two years, the accreditation process is not completed, it will be necessary to reapply for candidate status and pay the application fee again.

Please review the MNSAA standards, evidence of compliance, and handbook before applying for candidacy. These can be found on our website at www.mnsaa.org. Discuss accreditation with your school's governing board/commission / council and enlist its support and approval. Fill out the information requested below.

Review the "PRE-ACCREDITATION CRITERIA" below. Prepare the documents listed for onsite review by a MNSAA representative. Schools that belong to a jurisdiction should advise their leader of the choice to pursue accreditation with MNSAA. Schools should submit the application form and fee directly to the MNSAA Executive Director. A representative from MNSAA will schedule a brief focused site meeting to verify the documents.
